

# Available College and Department

For Science and Engineering Scholarship Program 2026

The listed departments cover all science and engineering majors offered at HYU ERICA.

However, not all departments may have participating laboratories in the 2026 SESP Program.

Applicants may apply for departments not included in the official lab list (Section 4), but if selected, they may be required to **independently contact and secure a research laboratory** for their placement.

College	Department*/Division	Major	Year	Undergrad.	Participating Lab.
Engineering Sciences	Architecture	Architecture	All	O	
		Architectural Engineering	All	O	O
	Civil and Environmental Engineering	-	All	O	
	Transportation and Logistics Engineering	-	All	O	
	Electrical Engineering	-	All	O	
	Materials Science and Chemical Engineering	-	3 <sup>rd</sup> , 4 <sup>th</sup>	O	O
	Mechanical Engineering	-	All	O	
	Industrial and Management Engineering	-	All	O	
	Energy and Bio Sciences	-	All	O	
	Marine Science and Convergence Engineering	-	All	O	O
	※ <b>Unavailable:</b> Robotics; Integrative Systems Engineering; Smart Construction Convergence				
Computing	Computer Science	-	2 <sup>nd</sup> , 3 <sup>rd</sup> , 4 <sup>th</sup>	O	O
	Media, Culture, and Design Technology	Media Technology	3 <sup>rd</sup> , 4 <sup>th</sup>	O	
		Culture Technology	3 <sup>rd</sup> , 4 <sup>th</sup>	O	
		Design Technology	3 <sup>rd</sup> , 4 <sup>th</sup>	O	
	Mathematical Data Science	-	All	O	
	※ <b>Unavailable:</b> Artificial Intelligence				
Advanced Technology and Convergence	Semiconductor Convergence Engineering	Semiconductor and Display Engineering	All	O	O
	Bio-Pharmaceutical Convergence	Molecular Medicine	All	O	
		Bionano Engineering	All	O	O
	Defense Intelligence and Information Convergence Engineering	Intelligence Information and Quantum Technology	All	O
