University College Dublin

Summer 2025
International Study Abroad Programme

13th July to 26th July

Welcome to UCD's International Study Abroad Programme!
Discover University Life at University College Dublin's Belfield Campus

Programme Aims

This programme invites Engineering, Science, and Business undergraduates from UCD's partner universities in China to explore academic and cultural life at an internationally recognised English-medium university. Through three main pillars—English for Professional Purposes, Design Thinking, and Discover Ireland & Europe—students gain skills essential to their fields while broadening their global perspectives.

Learning outcomes

Participants will:

- Engage in workshops that promote collaboration, creativity, and entrepreneurial thinking.
- Network with peers to exchange ideas on balancing life and study.
- Meet industry leaders across disciplines to gain real-world insights.
- Experience Ireland's unique heritage and learn about its place in a dynamic Europe.
- Access UCD's Belfield Campus facilities and connect with university staff.

Mode of delivery

Learning is activity- and enquiry-based within an international setting. Students work in small groups, benefiting from interactive breakout sessions. Programme goals are met through a presentation and portfolio, supported by expert course tutors. Time is also allocated to explore Dublin and Ireland's notable landmarks.

On exiting the programme

You will
- present in English a short project prepared with your peers
- complete a short English learning portfolio based on your targets
- receive a certificate of participation & performance from UCD

Self-catering campus apartments

Stay in the heart of UCD's Belfield Campus in self-catering apartments. Each apartment includes six study bedrooms, each with a private ensuite, plus a shared kitchen and living area. Wi-Fi and campus facilities, including cafes, restaurants, and stores, are all within walking distance of your classes.

Feedback from previous programmes

'The project part is very good because it changes the way to think about things'

'Dublin city is full of life, the people are very kind and it is easy to make friends'

'Meeting professors from my major and asking questions was very valuable'

Cost of the Programme

Tuition fee **€940** + Apartment Accommodation **€784** for 2-weeks + Registration fee **€100** = **€1,824**
