

Direct Entry Admissions Guide

Accessing the Admissions Portal – First time users and registration

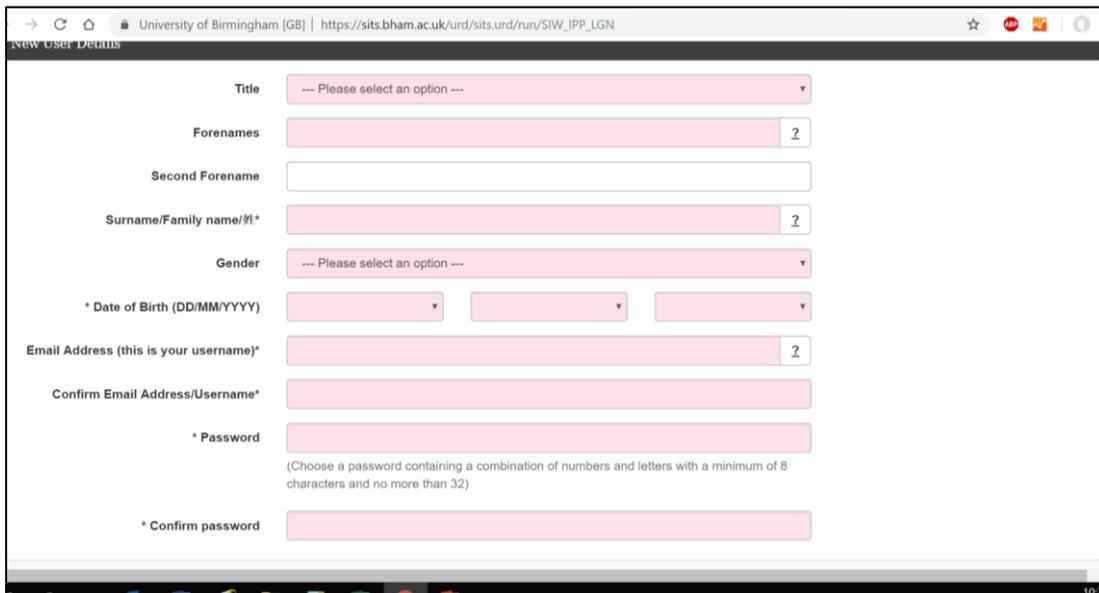

- You will be sent a link to the web page you need to use to apply for your programme. When you follow the link you will see the following page:

The screenshot shows the University of Birmingham admissions portal. The page has a dark header with the university's logo and name. Below the header, there are two main sections: 'Login' and 'Create a new user'. The 'Login' section has a 'Username (email address)' field, a 'Password' field, a 'Forgotten Password' link, and a 'Log in' button. The 'Create a new user' section has a 'New User' button highlighted with a red box and a red arrow. Below this is a 'Technical Difficulties' section with instructions on how to contact support.

The first thing you will need to do is to create a new account. To do this, click “New User”

- Complete the mandatory details in the following screen:

The screenshot shows the 'New User Details' registration form. The form is highlighted with a pink background. It includes the following fields: Title (dropdown menu), Forenames (text field), Second Forename (text field), Surname/Family name (text field), Gender (dropdown menu), Date of Birth (DD/MM/YYYY) (three dropdown menus), Email Address (this is your username) (text field), Confirm Email Address/Username (text field), Password (text field), and Confirm password (text field). A note below the password field states: '(Choose a password containing a combination of numbers and letters with a minimum of 8 characters and no more than 32)'. The form is titled 'New User Details' at the top left.

- Ensure you remember the email address and password that you have used as this will be your log in details.
- Once you have completed the form, click “Proceed”

- You will be automatically returned to the application form.
- You will also receive a “Registration confirmation” email to the email address entered in the above screen. Please check your “Junk” and “SPAM” folders as it may have been sent to this folder.

Starting your application

- You will see the following page – ensure that the programme name and entry year that you wish to apply for under “Course Application” are correct. **If they are not correct, do not proceed with your application, and instead, check with your home University who will send you the correct link to apply for your programme.**
